

JR&Co Stars February 2019 Nominations

We are determined to be London's best commercial cleaners. Our aim is to do everything the right way: the JR&Co way. This is how we ensure that we have carefully selected, well trained, experienced and motivated staff. It's how we can offer you a clean, safe and secure workplace with an extra level of engagement.

At the end of the day we all love a little thanks and praise, so the JR&Co Stars scheme is our way of making sure any praise from our clients for our cleaners is communicated and publicly rewarded.

If our cleaners receive a nomination they get a certificate and a £20* cash reward. To nominate, please visit our website.

**Unless separately itemised in your annual cleaning costs budget, the payments under this scheme are limited to £20 per operative per annum*

"I wish to nominate Diana, a true HR professional who is always keen to solve any case raised, willing to help others and genuinely cares about delivering excellent quality work. Moreover, she is a very intelligent person, every time I go to ask her any questions related to HR, she always amazes me with her knowledge and initiative to get the best answer/practice for my problem/query. Diana is a source of inspiration for other employees who want to get the best out of their job duties. It is a privilege to have someone like her in JR&Co."
