

JR&Co-Stars June 2018 Nominations

We are determined to be London's best commercial cleaners. Our aim is to do everything the right way: the JR&Co way. This is how we ensure that we have carefully selected, well trained, experienced and motivated staff. It's how we can offer you a clean, safe and secure workplace with an extra level of engagement.

At the end of the day we all love a little thanks and praise, so the JR&Co Stars scheme is our way of making sure any praise from our clients for our cleaners is communicated and publicly rewarded.

If our cleaners receive a nomination they get a certificate and a £20* cash reward. To nominate, please visit our website.

"I nominate Nilson because he really cares about his job and is really helpful to payroll. No payments mistakes on his sites. Amazing supervisor."

"I really wanted to praise Jovita as I had to ask her to do a few unusual tasks last week, but she did everything I asked so willingly and to such a high standard. For example, a gentleman fell through a shower in one of our tenant's shower rooms earlier in the week and within minutes of me asking she was up there with the engineers cleaning up blood and picking up pieces of glass. I also needed her assistance with the setting up and cleaning up of an internal event and she went above and beyond to do this! I honestly cannot praise her any more. She has dealt with all of my queries really well and has really shown herself to be up to the supervisor position, an asset to Julius Rutherfoord."

"Paula has worked with us for 7 years and has always gone above and beyond for the company and my team. If we are ever short staffed Paula will step up doing extra jobs on top of her own by putting out the milk, coffee, tea and sugar just to give us a helping hand. Although she is a contractor she works as part of the Facilities team. All the staff at Optivo know who Paula is and is liked by all. Paula is hard working, highly organised, has great communication skills and I have been very impressed with the way that she has approached work. It is because of her outstanding service to us that I would like to nominate Paula."

"I just wanted to provide some feedback on the Computer Cleaning. I briefly spoke with the operative to thank him and asked if he'd been in the building before. He confirmed he works alongside Mario managing the goods lift lobbies and bins on the night shift. He has carried out such a good job, I am very impressed with the attention to detail. Extremely polite

and hardworking individual. Please do pass on the praise. It's nice to meet a member of the night shift and observe that they are such a great asset to the team we have."

"Omar checks most areas every day after they are cleaned. Any cleaning problems that I report to Omar, he acts immediately. I discuss with him half term and six weeks programmes and he completes them all on time. He is hard worker and gets best out of his staff."

"I would like to nominate Carla because she is a great team player. She is always willing to help cleaners with any query. She also makes time for Operations Managers whenever they need help, providing a friendly environment in the office. She always meets deadlines and never goes home if something is not done. Additionally, she adapts quickly and easily, accepting any kind of feedback and always willing to improve. She always

displays genuine commitment. Thank you, Carla, for your great work!"

"Since Samantha joined Payroll we could all see a big difference in the department. She has excellent communication skills, she always communicates her ideas honestly and clearly and the most important thing is that they are all done constructively and respectfully. She goes the extra mile - she always does more than asked and never misses a deadline. Her great experience, knowledge of the company and her organisational skills make her the perfect colleague to work with. Thank you for all your support and hard work Samantha!"
