

JR&Co-Stars September 2018 Nominations

We are determined to be London's best commercial cleaners. Our aim is to do everything the right way: the JR&Co way. This is how we ensure that we have carefully selected, well trained, experienced and motivated staff. It's how we can offer you a clean, safe and secure workplace with an extra level of engagement.

At the end of the day we all love a little thanks and praise, so the JR&Co Stars scheme is our way of making sure any praise from our clients for our cleaners is communicated and publicly rewarded.

If our cleaners receive a nomination they get a certificate and a £20* cash reward. To nominate, please visit our website.

"I just wanted to let you know what a fantastic worker and person Maria is. Everyone at the office loves her, and when she's not here they all ask where she is. She goes way beyond the call of duty and does many jobs, on a regular basis that she is officially not meant to do. It's rare to find a gem like Maria."

"I would like to nominate our area cleaner for keeping the area very clean and tidy and also for being a very friendly and passionate cleaner who goes above and beyond to ensure we are happy. Well done!"

"Sue and her team worked extremely hard during the summer cleans to ensure the schools were completed. They showed commitment and took pride in the finished product."

London Borough of Merton – 17/9/2018

"I have nominated Angela and the Cleaning Team at Royal Botanic Gardens as they are always going over & above their duties in order for a job to be completed to the highest standard. They are a very small team compared to the size of the site, demands and pressures put upon them. They are always so cheerful and willing to assist even with duties outside of their professional cleaning roles i.e. relocating post and parcels across the site."

Royal Botanic Gardens, Kew – 18/9/2018

★★★★★

"It is always a pleasure visiting the site and experiencing the high standard of cleanliness and room preparation. The team are also very friendly and personable. To set it into context, I have just returned from a Holiday in the Italian lakes and there is not much difference in standard from the high-class hotels we stayed in."

"During a meeting, our client mentioned that Wilson is doing a great job on the site and he deserves a JR&Co Stars nomination as he is always willing to do his duties with nice smile on his face and every time the head teacher or premises manager ask for any help, he will do it with a smile.

His skills do not end with his work, he always projects a warm cheerful attitude to our clients, he helps to resolve conflicts and handle other difficult situations with remarkable patience and admirable tact, and he goes out of his way to help the employees if they need any support. I believe these characteristics represent all that is good at JR&Co."

"Luis is an excellent person. He communicates well at all levels, he takes ownership and responsibility and is not afraid to admit when a mistake has been made, yet he does his very best to rectify them straight away. He does more than is humanly possible and without him I would be really worried!"

Bird & Bird – 27/9/2018

"Joanna and Adriana are unfailingly smiley and great to have around. Their good humour is infectious. They also clean Paddington Green Health Centre really well too!"

"Just wanted to give some feedback about Sirlene and say how helpful she has been in my time here and in particular in recent times. I hope you can pass this on to her management that she is extremely helpful with myself and our team and we can always rely on her. Not only is she effective at what she does but she is also extremely friendly and positive with how she does things."
