

JR&Co Stars March 2019 Nominations

We are determined to be London's best commercial cleaners. Our aim is to do everything the right way: the JR&Co way. This is how we ensure that we have carefully selected, well trained, experienced and motivated staff. It's how we can offer you a clean, safe and secure workplace with an extra level of engagement.

At the end of the day we all love a little thanks and praise, so the JR&Co Stars scheme is our way of making sure any praise from our clients for our cleaners is communicated and publicly rewarded.

If our cleaners receive a nomination they get a certificate and a £20* cash reward. To nominate, please visit our website.

"Paulo started at Kew in August 2018. He joined us as a part time cleaner and then moved to a morning Supervisor role. He also took the full responsibility of one of our main events which was Christmas at Kew last December 2018. He exceeded our expectations with an excellent commitment to the whole program, delivering the service to a high standard. This year's event was a complete success and without his help the rest of the team would not be able to achieve the amazing results on these extended weeks. He has come a long way, currently supporting the whole morning team on his own with the help of Henry. He is also helping us at weekends. He is very positive and hard working and always willing to support the whole team and management."

"Victor goes to great lengths to make sure clients are happy and aware of what is going on. He is hands on, will get involved and help out with shifts. If he is meant to be off he will cancel his holidays just to support the team. I appreciate Victor and all he does."

"I just felt the need to congratulate Bruno and say a big Thank You for all his efforts in the building. His presence and actions have brought significant improvement in the building day-to-day life and maintenance. Despite the strong efforts from colleagues to leave a mess in the kitchen areas, Bruno is always on top of things and he takes care of the space and areas in high standards to be available to everyone throughout the day. Toilets are always clean and full of supplies and I've never come across a shortage or a problem. Thank you and keep on the good work."

"During Christmas at Kew the entire Julius Rutherford team showed great service and attention to detail. There was a real improvement in communication on the night of the events through Paulo and Angela's overall management of the team. The event was excellent."

"This is a difficult space to manage and there can often be unexpected challenges in the space (pigeon's getting in and lots of schools groups and children in the space). Cleaning staff who are assigned to this space are often very meticulous in their work and handle these challenges well. We received good feedback from visitors including this comment by a visiting school group: "the area was kept spotlessly clean by the staff". We very much appreciate the teams hard work, and also the care taken by their Manager, Angela, to ensure that any key messages are passed onto her team."
