

## JR&Co-Stars April 2018 Nominations

We are determined to be London's best commercial cleaners. Our aim is to do everything the right way: the JR&Co way. This is how we ensure that we have carefully selected, well trained, experienced and motivated staff. It's how we can offer you a clean, safe and secure workplace with an extra level of engagement.

At the end of the day we all love a little thanks and praise, so the JR&Co Stars scheme is our way of making sure any praise from our clients for our cleaners is communicated and publicly rewarded.

If our cleaners receive a nomination they get a certificate and a £20\* cash reward. To nominate, please visit our website.
